

Otago Combined Christian Groups

www.otagoccg.co.nz

Since 2000 our aim has been to build relationships and unity between Christian groups and Churches in order to better demonstrate God's love on campus. Our CCG Ministry Support and Student Network Groups meet on a regular basis through the year to plan events and to pray together. Find us in the CCG Marquee on the Museum lawn during orientation week.

For further info throughout the year please contact our Co-Chairperson Mike Bagge
